On behalf of the SEN and the International IUNS I would like to invite you to come to Granada on 15-20th September 2013 and enjoy the scientific and cultural activities we are currently designing and developing for the 20th International Congress of Nutrition. Granada, through its history has been open to different cultures, people and beliefs. Historically, Granada is also the last redoubt of Islam in Western Europe, the Alhambra and the Generalife being clear samples of the splendour of the Mozarabic civilisation.
